MY EXPERIENCE

[8+years]

> FREELANCE WORK

JAN 2023 - Till Date

Working as a Freelancer from January 2023, create wireframes, mockups, and page layouts for websites, apps, and other media. This includes designing graphics, icons, logos, and custom themes. Build websites using HTML, CSS, and JavaScript. Test websites for compatibility across devices and browsers, and ensure they are working.

Creating logos and webdesigns for various clients ,new product labels, brochures, stickers, banners, packaging designing, posters, Visual Aids and other graphic design works.

> INFOVISION LABS, COIMBATORE - Sr. UX Designer

JUL 2021 - DEC 2022

As a Senior UI/UX Designer, I collaborated with business analysts, created design systems, wireframes, and guided Junior designers. Ensured visually appealing, issue-free interfaces by collaborating with developers to address any concerns.

> AADHITYA VENTURES - TRIPPUR- Sr. Graphic Designer

JAN 2019 - JUN 2021

Cut color and Multi color design, Creative concepts, Digital imaging, Color separation including Layout & Typography of printed media design works.

> ISYX TECHNOLOGIES, Qatar - Sr. UI Consultant

JUL 2016 - DEC 2018

Design and develop the website redesign project for Qatar Executive (QE). Using the latest technologies and best practices. UI Designer competent at creating user-friendly interfaces with an easily navigable design. Developed using HTML5, CSS3, jQuery, Bootstrap, responsive web design, web fonts, and icon fonts, with web standards, accessibility, and compatibility with most browsers and devices.

> DION GLOBAL SOLUTIONS PVT LTD, BANGALORE - Sr. Web Designer

JAN 2012 - JUN 2016

Design to Normal and responsive HTML conversion from beginning to end. It was most challenging to present the layout according to the client's requirement from graphical design structure to content animation of each pages.

> HIRECRAFT SOFTWARE PVT LTD, BANGALORE - Graphic / Web Designer

AUG 2008 - DEC 2011

Involved in graphic design like banner, Brochure, Business Card designing the site layout and front ends.
